

Welcome to Turku shipbuilding meet

Organized by Business Turku and Meyer Turku shipyard

We are very pleased to welcome you to attend a shipbuilding meet and networking event at Turku, Finland on the **15.5.2024** at Turku Fair center. You will have a unique opportunity to present your offerings and selling points to Turku maritime hub representatives, including Meyer Turku shipyard buyers. Also other Turku maritime businesses will be present (still subject to changes).

Turku maritime ecosystem is one of the leading maritime hubs in the world. See more: [Maritime Ecosystem in the Turku Region](#) (YouTube.com)

The companies present at the event are especially interested in and value:

- Innovative spirit and practises
- Sustainability as a theme but also as a way to operate
- Reliability
- Quality
- Efficiency
- Predictable way of operation
